Copyright case: Copyright protection of an idea, Poland

Marcin Balicki · Thursday, October 26th, 2017

The Polish Supreme Court held that the creative (original) nature of a work protected by copyright may manifest itself in the creative, new and simplified combination of known elements e.g. insurance products. The condition of individuality of such a work will be met if it is unique from the statistical point of view, meaning that it is unlikely that another person will prepare an identical work in the future.

Case date: 2 March 2017

Case number: II CSK 400/16

Court: Supreme Court of Poland
