Copyright case: SFR, NC Numericable and others, France

Brad Spitz (REALEX) · Thursday, November 16th, 2017

The French Supreme Court held that the costs relating to the blocking measures ordered by the courts are strictly necessary for the preservation of the intellectual property rights and that the courts may order the internet service providers and search engine providers to bear such costs.

Case date: 6 July 2017

Court: Court of Cassation of France, First Civil Law Chamber
