The blog is being updated!

Alina Trapova (University College London) · Monday, June 30th, 2025

We have some exciting news. The Kluwer Copyright Blog is going through a makeover! The blog's layout will be updated from the middle of July. This means that for the first half of July we will not be posting as the systems are being updating. Nonetheless, there is a lot to catch up with – read Sabine Jacques' posts on the AG Opinion on Pelham II ([here](#) and [here](#)), as well as João Quintais' [mid-term review](#) of posts on AI/copyright. After the pause, you will get a chance to catch up on our second trimester EU copyright law [roundup](#), as well as reports on the UCL roundtables as part of its [genAI and copyright law series](#).
